

Pupil Premium Statement for Allocation Spend 2016-17: **Unity Federation**

Introduction:

Pupil premium is allocated to children who are known as EVER6 – these are children who in the last six school years have been or are eligible to receive free school meals (FSM). Pupil premium allocation for the financial year 2016-17 is £1320 per child. The aim of this funding is to raise attainment and progress of EVER6 children to ensure the best achievement possible for them as individuals. It is also, at the discretion of the school, to ensure EVER6 children are fully included in all school activities so they experience the same opportunities as their peers.

Funding is spent on a variety of identified priorities for the coming financial year and include:

- **Widening educational opportunities**
- **Ensuring equal access to all aspects of the curriculum**
- **Supporting gaps in learning for appropriate children**
- **Supporting a 50% cost to extra-curricular activities**

Linked to the AIDP 16/17 Priority:

The primary focus for funding in 2016/17 is linked to Pupil Premium children in the following Academy Improvement and Development Priorities:

- **To build on greater opportunities to develop reasoning and problem solving skills in mathematics.**
- **To identify and enable greater Writing and Maths opportunities across the wider curriculum to ensure children can transfer basic skills and demonstrate these competently at mastery level in a range of cross curricular contexts.**

Colkirk Church of England Primary Academy 2016/17
