

Australia Day Tuesday 26th January 2015

The children had a lovely morning of learning about Australia. There were lots of activities in Willow class as well as a bonus 5 house point quiz. The children had to find out:

Which continent does Australia belong to?

What do the stars on the flag mean?

How many states are there in Australia?

The girls are doing some research about the Geography of Australia.

Some children made cockatoos and then found out about them.

Showing off her lovely picture of Sydney Opera House.

Sydney Opera House

Think what to do next!

A beautiful picture of a cockatoo.

Arranging the roof on the Opera House.
