DNEAT GOVERNANCE ARRANGEMENTS

DNEAT Governance Structure

DNEAT Central Team

This document provides an overview of the governance arrangements for the Diocese of Norwich Education and Academies Trust (DNEAT).

DNEAT is a Multi Academy Trust and therefore the responsibility for governance rests with the Trust Board. There are thirteen Trustees who have a broad range of skills and experience from both the education and business worlds.

The DNEAT Governance Framework (overleaf) shows the composition of committees and frequency of meetings.

The board has 3 sub-committees whose role is to scrutinise the work of the Trust and hold DNEAT officers to account in accordance with the Articles of Association and Scheme of Delegation:

- Finance, Audit and Resources Committee
- Personnel Committee
- Standards and Strategic Development Committee

All sub-committees report back to Trustees at each Board Meeting.

The academies within the Trust are split into three geographical regions – East, South-West and West. Each region is allocated an Academies Group Executive Principal (AGEP) whose role is to provide support and challenge to the headteachers in their area. This is carried out via a regular schedule of visits to the academies and a formal Academy Improvement Review meeting each term.

The AGEP and Headteachers within each region are held to account by Trustees via a Regional Standards Group (RSG). This group comprises two trustees (one of whom will be the chair), the CEO, Academies Improvement Director, AGEP and all the headteachers within the region. On a termly basis the RSG Trustees meet together at the Standards and Strategic Development Committee in order to share information from their regions. Outside of these meetings, Trustees conduct monitoring visits to the academies within their region.

Local governance at academy level is conducted via a Local Governing Body which comprises Trust Appointed Governors, Parent Governors, a Staff Governor and the Headteacher. Responsibilities from the Trust Board are delegated via a Scheme of Delegation which is reviewed on an annual basis. An outcome of the termly Academy Improvement Review Meeting is a grading of the academy and this grading will inform the level of delegation. The LGB is expected to meet in full on a half-termly basis. The Chairs meets on a regular basis with the Trust via the Academy Improvement Review Meetings and the termly Chairs and Heads Forums. The Trust provides guidance and support to the LGBs through the provision of draft agendas, supporting documents, quality assurance visits and in-house training for governors and clerks.
