Thursday 21<sup>st</sup> January

### Owlet Class Frozen Party Day

Dear Parents/Guardian

During the last couple of weeks the children have been helping Elsa to plan a surprise party for Anna in their English sessions. In doing this they have also planned their own Frozen Party. I am planning on having a Frozen Party Day on Friday 29<sup>th</sup> January.

The children can come dressed as a character from Frozen or any other story book/Disney film character. Please do not worry if you haven't got a 'costume', the children can wear party clothes. On this day they are also welcome to bring in anything 'Frozen' related 😊.

In the morning we will be watching 'Frozen Fever' and playing 'Frozen' themed games. At snack time the children will be having some party food (cucumber/carrot sticks, jam sandwiches, biscuits and possibly a bit of Anna's birthday cake!). They will have a 'disco' with the music from Frozen where they can sing and dance if they would like to.

The children have written lists and invitations and have created birthday cards and banners, learning about different forms and reasons for writing.

Thank you for your continued support.

Sarah Potter
