Thursday 17th March 2016

Dear Parents

I am writing to let you know about the arrangements for swimming that will take place next term. We have managed to secure a 6 week swimming block for all the children and this will take place on Fridays starting the 15th April. Maple and Willow will be swimming at Dereham Pool on Friday mornings and Beech will be swimming at Necton School pool on Friday afternoons. All children will travel by coach. Willow and Beech will continue to have PE but, although we have tried, we are unable to offer PE to Maple class for these 6 weeks.

Swimming will take place on the following dates:

April 15th, 22nd and 29th

May 6th, 13th and 27th

All children will need the following:

Swimming trunks - not shorts or

Swimming costume – one piece not bikini

Swimming hat

Towel

No jewellery of any type is to be worn; this includes earrings so please ensure that that they are taken out prior to coming to school. Staff are not allowed to take earrings out and cannot be held responsible for the safe keeping of jewellery. If your child needs to wear goggles please provide a letter giving permission on the first lesson.

Finally, we do ask for a £1 contribution per week per child towards the cost of swimming, which is gratefully received as the cost to school is nearly £300 per week with pool hire, teachers and coach travel. Thank you in advance.

If you have any questions please do see either myself or the class teacher.

Thank you

Mrs L David

Assistant Head

West Raynham C of E Primary Academy
